Overview

The Nebraska Governor's Youth Advisory Council is a 25-member council of 14-19-year-old students from across the state of Nebraska. Applications to the Council are reviewed by the Governor's office.

Members are expected to attend all Council meetings and activities. All costs associated with membership on the council are paid for to ensure equal opportunity. Meetings are held four times per year. Two of the meetings are held in the Lincoln area while the other two travel throughout the state. We make every effort to not have membership on the Council interfere with school; however, there are times when this cannot be avoided.

Mission

GYAC aims to:

1. Keep abreast of the bills, laws, policies and decisions that might have an impact on youth in their communities;
2. Increase the level of communication between youth, community and government;
3. Move the focus off the deficiencies of youth and on to the assets of the youth and their contribution to Nebraska's communities;
4. Increase youth and adult partnerships in order to build better communities;
5. Provide opportunities for youth involvement on state and local boards and committees which develop programs to serve youth;
6. Assure that youth are represented in State initiatives such as those that impact employment and job training opportunities rural and urban economic sustainability, juvenile justice and child welfare services; and to collaborate with other state and local youth organizations.

Membership

The Council strives to give youth from diverse populations and geographic locations in the State a united voice. The Governor, Senators, Department directors, Program administrators and others will have a direct link to youth through their contact with this Council and the youth the Council represents statewide.

GYAC members must maintain the following requirements of membership:

- Actively attend and participate in meetings and on committee activities.
